

Carraig Gheal Wind Farm Community Benefit Fund

COMMUNITY BENEFIT FUND NOW OPEN FOR APPLICATIONS

The Carraig Gheal Wind Farm Community Benefit Fund receives £46,000 each year from the Carraig Gheal Wind Farm developer GreenPower. The first funding round ended in January 2016. Seven applications to the main fund were successful and over £27,000 was distributed throughout the five community council areas that surround the Carraig Gheal Wind Farm.

The second funding round of the Carraig Gheal Wind Farm Community Benefit Fund main grant scheme is now open for applications. The main grant scheme may award grants from £251 up to £7,000 to constituted groups.

The Carraig Gheal Wind Farm Community Benefit Fund main grant scheme is open for applications from 1st May 2016 until 31st July 2016.

MAIN GRANT SCHEME – GRANTS FROM £251 -£7,000

For further information, guidance on how to apply and to download the application form for the grant scheme please visit the Carraig Gheal Wind Farm website:
