Dear Sir/Madam

**4TH GENERATION TERM CONTRACT FOR MANAGEMENT AND MAINTENANCE OF THE  
SCOTTISH TRUNK ROAD NETWORK – NORTH WEST UNIT  
A85 CORYGHOIL – CARRIAGEWAY RESURFACING**

BEAR Scotland, on behalf of Transport Scotland, will be carrying out essential resurfacing works on a section of the A85 Trunk Road to the east of Dalmally. Please find enclosed a location plan which details the works extents.

The works are programmed for construction from Monday 6<sup>th</sup> March for up to two weeks, between the hours of 7am and 7pm each day, with no works planned for the weekend.

To ensure the safety of the workforce and members of the travelling public the carriageway will be subject to a 10 mph convoy traffic management system during the works. Out with the specified working hours traffic management will be removed, however a 30mph speed limit will be enforced as traffic will be running on a temporary surface.

BEAR Scotland and Transport Scotland wish to thank the local community and the travelling public in advance for their patience during these essential works.

Should you require further information, or wish to discuss these proposals, please do not hesitate to contact Craig Kerr, Graduate Design Engineer, by e-mail [NWConsultation@bearsotland.co.uk](mailto:NWConsultation@bearsotland.co.uk)

Yours Faithfully

Jamie Finlayson  
Assistant Roads Manager
