

Our Ref: NW/11/01/O-015645

Date: 6 November 2023

Dear Sir / Madam,

**NETWORK MANAGEMENT CONTRACT FOR MANAGEMENT AND MAINTENANCE OF THE SCOTTISH TRUNK ROAD NETWORK – NORTH WEST UNIT
A83 INVERARAY TO ARDGENAVAN – OVERNIGHT ROAD CLOSURE – INFORMATION LETTER**

BEAR Scotland, on behalf of Transport Scotland, are planning to carry out overnight carriageway resurfacing works, at three locations on the A83 trunk road, between Inveraray and Ardggenavan. Please see enclosed location plan for your information.

These carriageway improvement works are planned for construction from the night of Monday 6 November to the morning of Thursday 16 November 2023, taking approximately 8 nights to complete all works, subject to weather. Operations will be carried out between 20:00hrs and 05:00hrs, each work night. Please note that no works are planned to take place on Friday and Saturday nights. Please see an anticipated programme of works below:

Location of Works	Duration	Work Hours	Traffic Management
A83 West of Ardggenavan	Monday 6 to Wednesday 8 November 2023 (3 nights)	20:00 to 05:00hrs	Road Closure with diversion via A82, A85 and A819.
A83 East of Strone Point	Thursday 9 and Sunday 12 November 2023 (2 nights)		
A83 West of Strone Point	Monday 13 and Wednesday 15 November 2023 (3 nights)		

Unfortunately, due to narrow carriageway widths and to ensure the safety of both the workforce and members of the public, it will be necessary to close the road at each work location between 20:00hrs and 05:00hrs each work night. A signed diversion route will be in place via the A82, A85 and A819, adding an additional 25 miles and approximately 35 minutes to the journey time for road users travelling between Inveraray and Tarbet. Please see the attached diversion route plan for further details. Access for emergency services will be maintained at all times throughout the works.

Out with working hours the traffic management will be removed, however, driver awareness is encouraged as road users will be travelling over a temporary surface where a 30mph speed limit will be in place.

Should you require any further information or have any queries related to the above works, please email us at NWConsultation@bearsotland.co.uk.

Yours faithfully,

Ross O'Brien
Assistant Planned Maintenance Manager
For and on behalf of BEAR Scotland
